Presidents Message

The Pioneer Chapter is very interested in promoting hunter education safety for our young hunters. To improve our efforts, the chapter board of directors approved the purchase of six 20 gauge pump shotguns, to be used at youth events. Also we purchased shotgun cases for transporting the guns to youth events. This will keep our guns clean and in good condition.

The participating members at this year's May 1st spring youth day had a discussion about what we can do to improve next year's youth day. Our chairman of the board Steve Nicholson will be the lead person for this event next year.

In our July newsletter we talked about hunter orange. This is a very important issue, so I will update the information in this newsletter.

From the Tracker: The Oregon Hunters Association is asking hunters to appear and speak on behalf of personal choice and the continued voluntary use of blaze orange clothing on October 1st at the Commission meeting, where the commission will decide on blaze orange clothing requirements for the 2011 regulations.

The meeting will be held in Bend at the Deschutes County Board of Commissioners, 1300 Wall Street, Ste 200.

If you can't attend, please submit your comments at <http://www.oregonhunters.org/oregonhuntingstand.asp>.

While submitting written testimony is important, it's vital to pack the room if we are to have any hope of protecting your right to dress yourself as you see fit.

Please be there and be heard.

That's all for now Dan Sr.

OHA IN OUR COMMUNITY

July 10: Duck Boxes: Seven members serviced 20 of our nesting boxes at 5 locations. 1 old box was replaced and 1 new box was put up. 12 boxes had been used for a usage rate of 60%.

July 17: Water Guzzlers: Five members checked and serviced our 10 guzzlers. Aprons and fountains were cleaned. Fences, bird boxes and salt blocks were checked and 900 gallons of water was delivered to top off all the tanks.

July 16-18: Expo Center Knife and Gun Show: Five members staffed our booth at this three-day show. We sold memberships and

tickets on our current rifle raffle, and talked to the public about OHA.

July 20: GPS Training: Two people attended our training session conducted at Wholesale Sports in Portland covering the basic operation of GPS receivers.

Again, thanks to all who volunteered their time for the July projects. The projects will increase now that summer is here so we do need your help. If you can volunteer for any of our future projects, please contact Dan Allee at (503) 632-6756 or Rich Steuer at (503) 654-6949.

ATTENTION “Still Looking For The Winner”

If you attended the 2010 annual banquet and you bought a package on the Bucket Raffles. There is a strong possibility that you may be holding the winning ticket on the Bucket O, which is a Weatherby Vanguard 300 Win Package. We drew the ticket and the winner must have already left. If you think you may have the winning ticket, then call David Scott at 503-266-1531 after 5:00 pm. We would really like to find the winner. You will have to have the other half of the ticket.

Good Luck
